3 Candidates

USSD Code	Nominee & Citation	Department & Level	Direct Dial String	Votes
#101	Ama Serwaa Dean's Honor Roll recipient, peer tutor, and lead student organizer for regional science outreach.	Biochemistry Level 400	*928*667*101#	42
#102	Kwesi Mensah President of the Departmental Academic Committee with exemplary leadership in student mentorship.	Cell Biology Level 400	*928*667*102#	28
#103	Abena Osei Active student advocate and outstanding performer in molecular biochemistry coursework.	Biochemistry Level 300	*928*667*103#	19

BEST RESEARCHER

Honoring exceptional contributions to biological and chemical sciences research.

2 Candidates

USSD Code	Nominee & Citation	Department & Level	Direct Dial String	Votes
#104	Emmanuel Addo Published undergraduate researcher investigating bioactive phytochemicals against microbial pathogens.	Biochemistry Level 400	*928*667*104#	35
#105	Grace Boateng Pioneered departmental microfluidics assays for cellular stress response mechanisms.	Cell Biology Level 400	*928*667*105#	24

BEST PALS

Celebrating inseparable friendships and dynamic duos across the faculty.

2 Candidates

USSD Code	Nominee & Citation	Department & Level	Direct Dial String	Votes
#106	Ninepence & Oheneba Dynamic duo known for campus-wide study circles, lab collaboration, and extracurricular support.	Biochemistry Level 400	*928*667*106#	51
#107	Kofi & Esi Always seen collaborating on lab projects, community volunteering, and student initiatives.	Cell Biology Level 300	*928*667*107#	33

BLOGGER OF THE YEAR

Celebrating student blogs, content creators, and digital storytellers in the ABCOSSA community.

2
Candidates

USSD Code	Nominee & Citation	Department & Level	Direct Dial String	Votes
#108	AGABUS Blogs Premier campus lifestyle, tech, and student culture blog with thousands of active weekly readers.	Biochemistry Level 300	*928*667*108#	45
#109	GEN Z Blogs Fast-growing student newsletter and blog highlighting academic tips, opportunities, and youth voices.	Cell Biology Level 200	*928*667*109#	39

LEADERSHIP EXCELLENCE

Awarded to student leaders demonstrating exemplary dedication to student welfare.

2 Candidates

USSD Code	Nominee & Citation	Department & Level	Direct Dial String	Votes
#110	Nana Yaw Frimpong Former General Secretary spearheading digitization of student archives and internship pipelines.	Biochemistry Level 400	*928*667*110#	31
#111	Dorcas Asantewaa Welfare Committee Chairperson championing academic support programs and freshmen orientation.	Cell Biology Level 300	*928*667*111#	26

MOST INNOVATIVE PROJECT

Celebrating creative scientific solutions and technological innovations.

2 Candidates

USSD Code	Nominee & Citation	Department & Level	Direct Dial String	Votes
#112	BioWaste Fuel Cell Team Developed a benchtop microbial fuel cell converting campus cafeteria organic waste to electricity.	Biochemistry Level 400	*928*667*112#	29
#113	CellVision AI Microscopy Created an open-source machine learning tool for automated cell counting in histology slides.	Cell Biology Level 400	*928*667*113#	22
